

Help us, Lord, to have ears to hear what the Spirit of God is saying to the church...the ecclesia. Open our ears so our eyes can be opened to see the fulfillment of Your heart for the nations. Create in us a new heart that is swept clean from all our preconceptions of truth. Empty us that You may fill us with the New Wine for the New Era. This is the New Era of the powerful Name of Jesus, and the Lion and the Lamb...the Warrior...the Savior...and we bow our knee at the Supremacy of Jesus Christ. We take our crowns, our accomplishments, our failures, dreams, and hopes, and we place them at Your feet, Lord Jesus. Start fresh in our hearts and begin to build the pillars of truth based upon You, the Living Word, the infallible words of God that will prosper in everything it was sent to do.

For each one of us, You have a list of assignments that were birthed in Your heart to accomplish, and our entire lives have been years and years of preparation for this ecclesia moment in history. You have released the mantle of Jesus upon us for such a time as this. As you have done this, the enemy has been tirelessly working to destroy Your purposes. Bringing opportunities to be offended, defensive, and aggressive toward others, the enemy knows disunity is the key. But we walk in the new mantle of Your Spirit. We have picked it up...multiple mantles that await...for this time in history. Choosing the better way...this is who we are. Therefore we offer our lives as living sacrifices upon the altar

There's only room for 1 King upon the Throne. That is You, King Jesus. Thus we must submit everything to Your Lordship...we surrender our minds, our opinions, our thoughts, our actions, our reactions...we bring it all to the altar. Psalm 5:3 says "At each and every sunrise you will hear my voice as I prepare my sacrifice of prayer to you. Every morning I lay out the pieces of my life on the altar and wait for your fire to fall upon my heart." Let Your fire fall upon us until all that is left is You.

You rule and reign forever and ever. The government is upon Your shoulders. By Your stripes we are healed. You have given us Your authority and mantle to be reconcilers and Kingdom Mantle Carriers of Your authority for such a time as this. Teach us how to stay focused on the prize of Your call of Christ in us. We thank You, Lord Jesus, that You are the Alpha and Omega and will complete everything which You have started in us. This new, upgraded mantle may it bring a guard over our minds and cause us to hear ONLY what the Spirit of the Lord is saying. May that become our truth, as You remain our compass of direction ahead. It's hard to stop this prayer, Lord, because it keeps coming full circle to the undeniable fact: You are the King of Kings and the Lord of Lords, and there is no other. May Your Name be glorified, and may all the landscape of Europe be changed by the fresh move of Your Spirit through Aglow and the Ecclesias around the world. In the name of Yeshua, the Name above all, Jesus Christ. Amen
